

PIONEER RABBIT RIDER

For the **Stumptown 40 Derby Car Races** held at 7PM on May 24th at **Spirit of 77** in Portland, OR

The general provisions, technical rider, catering rider and support staff rider outlined below are for the purposes of presenting a successful and efficient engagement for both Pioneer Rabbit and the venue. This rider shall replace all previous riders, including the one for Jimmy's Backyard Birthday Bash, and shall not be a substitute for any future engagements. Please review, and if there are any questions email the contacts at the end of the document.

DRESSING ROOM

- One 6"-long sofa, preferably red
- Two 1"x1" West Elm throw pillows
- 1 incisor file
- 1 litter box (filled)
- 4 bales wood shavings
- 4 aged newspapers
- 1 arrangement of freshly-cut clover
- 1 bowl wild grass-flavored Jelly Bellies
- 39-pack of rubbers, rabbit sized
- 3 RABBIT-sized double-ball bearing drip resistant sipper tube water bottles filled with Cristal (NOT hamster-sized bottles, or mice-sized bottles; Rabbit does not want to be parched before or after racing)
- An assortment of magazines and classic books, including one copy National Speed Sport News and the latest US Weekly. **NOTE:** Please do NOT include *Watership Down* or *The Velveteen Rabbit* in this selection.

RACING GEAR

- 1 very small silver race suit, tailpatch removed
- 1 very small disposable diaper (Rabbit stops for nothing, not even the (admittedly frequent) call of nature)
- 2 very large ear plugs
- 1 very small iPod, the contents of which must include Jefferson Airplane's "White Rabbit," The Hoosiers "Run Rabbit Run," and anything by the Breeders

TRANSPORTATION

Pioneer Rabbit would prefer to arrive at the venue in a hollowed out carrot a la the Lady Gaga Egg Entrance. If a hollow carrot is not available, a trojan horse pushed by no less than eight (8) authentic Grecian warriors is an acceptable substitute.

FOOD & BEVERAGE

- 3 bottles of Odwalla carrot juice, chilled
- 6 crudite trays (carrot, cucumber, and celery, hold the cucumber and celery)
- 1 bale fresh hay (timothy, oat, coastal, and/or brome acceptable)
- 1 bottle Quick Trim (reducing drag like a Kardashian)
- 12 cans Red Bull and a red bendy straw

SUPPORT STAFF

- Driver Coach: Peter Rabbit (might have to bolt the crudites down when he's around)
- Pit Crew: Flopsy, Mopsy, and Cottontail (a warning to the prudish—they are anti-trousers)

ADDITIONALLY

No racers or onlookers should mention the Rabbit's lack of opposable thumbs.
